

## Recital Packet

**\*\*\*THIS IS IMPORTANT INFO YOU NEED TO READ\*\*\***

Dear Parents,

We are SO EXCITED to be able to present our recital “The Sky is the Limit!” this year in a regular venue! Our annual recital provides children with a chance to shine in front of family and friends and unforgettable memories for all. The recital allows each student to present to their families and friends the result of a year’s hard work, dedication, and progress. Dedication to recital commitments are the responsibility of both students and their parents. We have created this packet in an effort to clarify what we expect from dance families in terms of commitments and responsibility to the annual recital, and the performance venue.

## Important Dates

**Monday May 2nd-Thursday May 12th:** Costume Pick Up, Complimentary Ticket Pick Up & “Extras” for recital may be ordered.

**Thursday May 12th:** Last day to place any orders! Order forms are in your Parent Envelope given at costume pick up. **Nothing can be ordered past the due date!**

**Saturday May 14th:** Picture Day @OPDC (schedule in end of packet)

**Wednesday June 1st:** OPDC is closed!!

**Thursday June 2nd:** Studio Run Thru @OPDC (extra practice for all classes!)

**Find your child’s class/classes and follow those instructions for which show they are in and their appropriate schedules!**

## Costume Details & Instructions

### Costume Selection/Sizes/Alterations

Our instructors spend many hours to determine just the right costumes for each class. Costumes are at the discretion of each instructor, always age appropriate and of great quality. Keep in mind, to keep the cost of costumes down, the majority of costumes are ordered from a catalog and not custom made for each dancer. Therefore; pants, sleeves, and straps may be too long and might need adjustment. Alterations are the responsibility of the child's parent or guardian and are usually very minor if even needed.

### Important Costume Care Instructions

No extra costumes are ordered for recital! So it is imperative that each costume is cared for carefully! We recommend that the child's name be placed in the costume, accessories, shoes, and tights! Do not play in costumes before Dress Rehearsal/Recital. **To prevent damage, we send home all costumes in garment bags and take the time to steam them ourselves, less work for you!** Never iron or machine wash a costume! Dry clean ONLY AFTER the performance!

### Costume Delivery

Costumes will be sent home **beginning May 2nd** only if there is no balance owed on the account. If you paid for the costume in January but are behind in tuition, your original costume payment has now been applied towards tuition. This means you still owe for your costume and will not receive it until your account is completely up to date. **We are not responsible for your costume(s) or any accessories once they leave the studio!**

### Undergarments

For females: tights worn under a costume serves the purpose of an undergarment. If this is uncomfortable for the dancer, please wear the proper undergarments to match their skin tone under their tights. We do not want to see anything peeking out from your beautiful tutus! For more mature females, please make sure proper dance bras match skin tone if needed. For males, please wear proper under garments as well.

### Jewelry, Nail Polish, & Chewing Gum!

Big no-no's!!! The only accessories a dancer should wear are those that came with their costume. In the interest of uniformity, no nail polish is worn. Gum is not allowed at studio or the venue!

### Dressing Your Child At Recital

If your child needs your help dressing, only one person with a color coded wristband will be allowed backstage to help them change clothes. Backstage helpers can help with shoes, please make sure your child's shoes/dance bag are labeled!

**BACKSTAGE VOLUNTEERS ARE NOT RESPONSIBLE FOR CHANGING YOUR CHILD'S COSTUMES IF THEY ARE NOT ABLE TO DO SO BY THEMSELVES.**

## Recital Hair and Makeup Requirements

All hair will be worn up and away from the face. Stage lights are very harsh and tend to wash out a performer's natural features, you will see this at dress rehearsal. Eye, cheek, and lip color are recommended so features can be seen by the audience. Make up for young children is of course up to the parents preference but highly recommended so you can see facial features.

**Tiny Tots & PreSchool Classes:** may wear their hair however they will let you :-)

**All Other Classes:** low centered bun with no fly-aways, you may braid into the bun or have a braided bun, or use a foam bun maker but all hair must be in a low bun. Dancers with hair cut at chin length may wear it in the "half up/half down" style.

**Competition Dancers:** normal competition hairstyle

## Parent Envelope **\*Pick up with costumes beginning May 2nd to accounts with zero balance\***

At costume pickup you will receive a large envelope. This envelope will have a print out of your child's class(es) and a picture of their costume(s). Listed by the picture, it shows what color/style tights and shoes (same as the shoe list all year has been) are to be worn with which costume.

This envelope will also have a print out of the following schedules: Picture Day, Dress Rehearsal, Studio Run Through, Recital Show Order. You'll find all "extras" order forms too.

This envelope will also have your complementary pair of tights (females), one backstage pass wristband color coded by show, and two complementary recital tickets per family to the show(s) your child(ren) are in.

## Tights/Shoes **\*Last day to order is May 12th, order form is in Parent Envelope\***

You will get one pair of tights at costume pick up. If you dancer is in multiple classes, make sure to grab what kind they need, as they may need more than one. We have ordered enough extra tights for everyone already but in case we run out of a certain size/style, an order can be placed.

All dancers should have the correct shoes (same as listed in your registration paperwork on the shoe list). We can order by due date, or you can purchase local at The Dancer on Yadkin Rd.

## Extra Tickets **\*\*\*\*\*NEW THIS YEAR\*\*\*\*\* Tickets will not be sold at the studio!**

Each person that needs a seat, will need a ticket! All tickets beyond the complementary two per family can be purchased through the box office at the Crown Theatre or through their website online. Tickets go on sale Monday May 16th, we will send out more detailed instructions on how to purchase before then. The Crown Box Office handles all ticket sales and entering the facility. Extra Ticket for one Show: \$10/ticket      Extra Ticket good for both Shows: \$17/ticket

**We will not replace any misplaced complementary tickets!**

**All ticket sales are non-refundable - tickets are the only way to get in to recital!**

## **Recital “Extras”....None of these are mandatory!**

### **Recital T-Shirt**

Each year a t-shirt is specifically designed for recital and has all the dancers’ names on the back. You may place your shirt order by returning payment and the order form found in your Parent Envelope any time between May 2nd- May 12th. We will not do a second order and we do not order extra. Recital shirts are \$20+ tax, add \$2 for sizes XXL and above.

### **Recital Flower Bouquets**

We are partnering with a local small business florist to provide you the stress free opportunity of pre-ordering recital flower bouquets, no more having to send someone to grab last minute forgotten flowers! Place your order at the studio, then we order them and take them to the venue for you. You’ll pick up in the lobby of the theatre on recital day! They will have two size options of bouquets available. Those prices may be found on the order form in your Parent Envelope.

### **Recital Buddies**

We will have stuffed animals available for order. Cute bears and unicorns with OPDC logo, a great keepsake or gift! Order forms/prices will be on the order form in your Parent Envelope.

### **Recital Program Ads**

Business and/or personal ads may be put in to the recital program book. Order forms will be available at the front desk **May 2nd and must be returned no later than May 12th**.

## **Recital “Day Of” Policies**

### **Arrival Time for Dress Rehearsal/Recital**

Dancers need to be in their assigned dressing areas by time listed on their show order schedule.

### **Check In/Check Out Dress Rehearsal & Recital**

All dancers must be checked in and checked out by their adult!

### **Backstage Admittance**

Only backstage staff and OPDC approved volunteers are allowed. One backstage wristband will be given to you in your Parent Envelope, this is to dress your child if needed. Females only in female dressing area, males only in male dressing area. These rules are for your child’s safety!!!!

### **Theatre Etiquette**

Just as you would refrain from talking during a movie, or a church service, there should be no open conversation or moving around the audience while a performance is in progress on stage. Please use proper audience etiquette at all times, your dancers will greatly appreciate applause!

## Lastly...

Please make sure you are reading all information sent home! We want to make sure everyone is informed but we do not want to take away from your child's class time to go over info that is in paperwork being sent home. Class time is crucial! If you are unsure about ANYTHING e-mail us!!! ([opdancecenter@gmail.com](mailto:opdancecenter@gmail.com)).

**Accounts for each child performing in recital will need to be current.** Last tuition payment is May 1st. If accounts are not paid in full and have outstanding amounts, your child **will not be allowed** to perform in recital, nor will you be allowed to pick up tickets/costumes. If you have any questions about your account, please contact us.

The day of Picture Day, Dress Rehearsals, Studio Run Throughs and Recital, we most likely will not be able to answer e-mails, phone calls, and Facebook messages as we will be setting up everything needed for the show and taking care of your dancers backstage. **So please make sure you understand everything before June 5th!**

**Thank you so much for everything this year, we are so pleased to have each and every one of you in our dance family.**

## Recital Costume Picture Day

Picture Day is not mandatory but we urge everyone to come! Carlton Hubbard Photography will set up **at On Pointe (not their office) on Saturday May 14th** and take class photos of dancers in recital costumes and will have the availability to do individual/siblings photos as well.

Group pictures will happen in Studio #1 with the dancers, photographer, and OPDC staff only, no one else is allowed so dancers can focus on the camera.

A dressing area will be set up in Studio #2 (boys dressing will be available in a separate area), no males will be allowed in dressing area.

Studio #3 will be set up for individual/sibling photos, parents are allowed in that room only for their dancer/siblings pictures. An OPDC staff member will be available to pose dancers/siblings for individuals.

**All picture payments/orders are done through Carlton Hubbard Photography.**

Please keep in mind that the studio space, while it is big, can not accommodate an entire family to accompany one dancer when we have multiple classes inside. **One adult per dancer and limit siblings please.**

Pictures times are EXACT, we snap the photo at the time listed. **Arrive 10-15 minutes early!** We will not wait for someone, if late then that makes the rest of the day late for everyone else. We will not photo early, unless we have all dancers in that group ready.
